Several other amendments to the bill adopted fixing the expenses of the dissioners and the recorders at \$15 per day instead of \$15 and leaving the question of the amount of the salary of assistant recorders and employes to he commission. The name of the commission was changed to "The Anthracite Coal Strike Arbitration."

An amendment offered by Mr. Daniel of Virginia, intended to prohibit officers in the civil or military branches of the government from serving on commissions or performance of duties other than are called for by law provoked a lengthy discussion and in response to the appeals of Mr. Allison and Mr. Hoar was finally withdrawn.

party vote of 155 to 118. The purpose of the resolution is to permit the house to pass upon the case at this session. Under the regular method of procedure several months are given to the preparation of a contested election case. Mr. Butler, the sitting member, was unseated at the last session and again returned at the last election to fill the vacancy. He had 4,600 plurality on the face of the returns but the returns are contested.
